

THE STATE OF LGBTI-PHOBIA IN CATALONIA 2016

4 d'agost de 2017

The Observatory Against Homophobia (OCH), we have translated into english the anual study The State of LGBTI-Phobia in Catalonia directed by Elena Longares.

In the study you can find: (1) the legal framework in which the study is framed; (2) the quantitative analysis of the data collected through the incidences recorded by the entity (annual comparison, by groups, areas, age and territories); (3) qualitative contrast of the data (narratives of persons offering their testimony); (4) conclusions and recommendations, (5) a good practice on care for the victim of transphobic bullying, among other topics.

You can access in the following link:
