The **I Meeting of Observatories** was created with the aim of bringing together the different agents and entities dedicated

to the prevention, compilation, denunciation and legal and psychosocial action in cases of LGTBI-phobia. We want this 2nd Meeting to be a space for joint training, to build spaces where we can share experiences, concerns and knowledge through a transversal concept that nourishes the conference: WELCOMING SPACES as opposed to hate speech and focusing on three specific and concrete areas:

- (1) Public transport.
- (2) Leisure spaces.
- (3) Educational spaces.

The 2nd International Meeting of Observatories against LGTBI-phobia will be held on 2, 3 and 4 June 2023 at the Francesca Bonnemaison Space of the Barcelona Provincial Council.

The registration period is open from 3 April to 16 May. If you have any questions, do not hesitate to contact us at: 2encuentros.observatorios@gmail.com or 630691391 (Tuesday to Saturday from 9am to 6pm).
